Repositório Git (hospedado no GitHub Pages)

The screenshot shows the GitHub interface for the repository 'detiuaveiro / ams_g202'. The repository is private and has 5 unwatched items, 1 star, and 0 forks. The main branch is 'main', with 1 branch and 2 tags. The repository contains a file tree with folders like 'css', 'docs', 'fonts', 'images', 'js', 'marketplace', 'prototype', 'v1', and 'v2', along with files '404.html' and 'README.md'. The 'marketplace' folder is highlighted. The right sidebar shows the repository's description: 'Projeto de grupo - Análise e Modelação de Sistemas', a link to 'detiuaveiro.github.io/ams_g202/', a README file, 2 releases (with 'Iteration 2 (version 2.0)' as the latest), 1 environment (with 'github-pages' as active), and a list of languages.

File/Folder	Description	Time
css	Fixed dropdown menu overlay on order/checkout page	26 days ago
docs	Added final version of E3 technical report	24 days ago
fonts	Added initial files for the website	2 months ago
images	Created order/checkout page	26 days ago
js	Added parallax effect plugin on "index.html" page	2 months ago
marketplace	Renamed "store" folder to "marketplace"	24 days ago
prototype	Improved filters on buy page	24 days ago
v1	Minor changes made related to the last two commits	25 days ago
v2	Fixed paths and removed comments on version 2.0	24 days ago
404.html	Renamed "store" folder to "marketplace"	24 days ago
README.md	Initial commit	2 months ago

Framework Bootstrap

A screenshot of the Bootstrap website homepage. The page has a purple header with the Bootstrap logo and navigation links: Home, Docs, Examples, Icons, Themes, and Blog. On the right side of the header are social media icons for GitHub, Twitter, Facebook, and YouTube, along with a 'Download' button. The main content area features a large heading 'Build fast, responsive sites with Bootstrap' and a subheading 'Quickly design and customize responsive mobile-first sites with Bootstrap, the world's most popular front-end open source toolkit, featuring Sass variables and mixins, responsive grid system, extensive prebuilt components, and powerful JavaScript plugins.' Below this text are two buttons: 'Get started' (purple) and 'Download' (white with purple border). At the bottom left, it says 'Currently v5.0.0-beta1 · [Previous releases](#)'. On the right side of the main content area is a large, stylized illustration of the Bootstrap logo (a purple shield with a white 'B') overlaid on various UI components like a window, a list, and a form.

Ícones Font Awesome

The screenshot shows the Font Awesome website interface. At the top, there is a navigation bar with the Font Awesome logo, a search bar containing "Search icons...", and links for "Start", "Icons", "Docs", "Support", "Plans", "Blog", and "Sign In". A dark blue banner below the navigation bar features a "6" in a square, the text "Font Awesome 6's second alpha release is out now! And we're brewing more icons, styles, services, and awesome tool!", and buttons for "Get the Alpha" and "Learn More!".

The main content area has a search bar with the placeholder text "Search 7865 icons for...". Below the search bar, it says "All 7865 Awesome Icons" and includes a grid view icon and an information icon. The icons are displayed in a grid with labels below them:
